

The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart. --- Helen Keller

Family Mentors

The Children's Center Family Mentors serve families of children with special needs of all ages and disabilities.

Our Family Mentors can:

- **Help families navigate through the often overwhelming information geared towards raising a child with special needs**
- **Educate families and caregivers about a child's diagnosis**
- **Tailor the support and assistance they offer to each child's and family's unique situation**
- **Provide information on resources available and help families obtain services for their child/ren**
- **Help caregivers prepare documents on behalf of their child/ren**
- **Help caregivers prepare for meetings on behalf of their child/ren**
- **Create and maintain relationships with service providers, educators, health care professionals and others whose work is critical to the well-being of your child/ren**
- **Draw on their own experience as parents of children with special needs**

Family Mentors meet with parents and caregivers by phone, email, or in person at either of our locations.
